

Legal Division

LEGAL & GOVERNANCE

Fiduciary Oversight. Estate Protection. AI-Led Legal Infrastructure.

DIVISION OVERVIEW

The Legal Division provides the governance, compliance, and legal infrastructure that protects EH Capital Group Inc. and its clients at every level. From contract management and estate protection to AI-led legal document workflows and bond issuance compliance, this division ensures that every organizational action is legally sound, ethically grounded, and strategically protected.

KEY METRICS

Contracts, Trusts, Bond Docs Legal Document Types	Federal, State, Fiduciary Compliance Frameworks
Document Workflow Platform AI Legal Tools	Corporate, Estate, Bond Governance Areas

CORE RESPONSIBILITIES

- Manage contracts, partnership agreements, and legal documentation across all divisions
- Provide estate protection, trust administration, and fiduciary oversight services
- Deploy AI-led legal document workflows for efficiency and compliance accuracy
- Oversee governance compliance for all division operations and bond issuances
- Advise on regulatory requirements, corporate governance, and risk management
- Coordinate with the Accounting & Tax Advisory Division on legal-financial compliance

FEATURED PROGRAM

FEATURED PROGRAM

EmpowerEquity Portfolio Initiative

The Legal Division's work within the EmpowerEquity Portfolio Initiative ensures that every client engagement, investment vehicle, and community program is backed by sound legal infrastructure. From estate planning documents to 501(c)(3) bond compliance, legal excellence is a cornerstone of EH Capital's client promise.

STRATEGIC GOALS

- Build a proprietary AI-powered legal document management platform
- Expand estate protection services to 1,000+ clients by FY 2027
- Establish a pro bono legal services program for underserved community members
- Develop a national governance training program for division leadership
