

Partnership for Prosperity

CAPITAL ACCESS

Capital Access. Network Partnerships. Community Investment.

DIVISION: CORPORATE PARTNERSHIPS & FUNDRAISING DIVISION

PROGRAM OVERVIEW

The Partnership for Prosperity program creates strategic alliances that provide access to capital for minority-owned businesses and underserved communities. Through collaborative investment strategies and network partnerships, this program builds pathways to funding that empower entrepreneurs and community organizations to achieve their financial and mission-driven goals.

KEY METRICS

<p>Network & Investment Capital Access Type</p>	<p>National Partnership Network</p>
<p>Referral-Based Membership Model</p>	<p>Investment, Grants, Debt Funding Types</p>

PROGRAM HIGHLIGHTS

- Creates pathways to capital through strategic network partnerships
- Connects minority-owned businesses with investors and funding sources
- Facilitates collaborative investment strategies for community development
- Manages referral-based membership network for capital access
- Supports participants in preparing for investment and funding opportunities
- Coordinates with the Finance Management Division on capital deployment

WHO THIS PROGRAM SERVES

Designed for minority-owned businesses, entrepreneurs, and community organizations seeking access to capital, investment partnerships, and collaborative funding strategies to grow and sustain their operations.

STRATEGIC OUTCOMES & GOALS

- Facilitate \$50 Million+ in capital access for minority businesses by FY 2027
- Build a national investor network of 1,000+ active partners
- Launch a capital readiness training program for entrepreneurs
- Develop a community investment fund for underserved market development
