

LegacyBuilders Grant Development

GRANT WRITING

Grant Writing Mastery. Funding Access. Community Impact.

DIVISION: GRANT DEVELOPMENT & MANAGEMENT DIVISION

PROGRAM OVERVIEW

The LegacyBuilders Grant Development Program is a comprehensive training and support initiative for future grant writers and community organizations seeking funding. Participants learn to identify funding opportunities, craft compelling proposals, and secure grants for community organizations — while EH Capital's team manages \$64.6 Million in active grant portfolios using AI-powered tools.

KEY METRICS

\$64.6 Million Grants Managed	EmpowerEquity Grant Fund
AI-Powered Platform Writing Tools	Certification Program Training Track

PROGRAM HIGHLIGHTS

- Provides grant writing training and certification for community professionals
- Manages \$64.6 Million in active grants including the EmpowerEquity Grant Fund
- Deploys AI-powered grant writing tools for efficiency and quality assurance
- Identifies federal, state, and private funding opportunities for participants
- Provides compliance tracking and grant reporting support
- Connects participants with EH Capital's national grant network

WHO THIS PROGRAM SERVES

Designed for nonprofit leaders, community organizations, grant writers, and professionals seeking to develop grant writing skills and access funding opportunities for mission-driven programs and community development.

STRATEGIC OUTCOMES & GOALS

- Train 500+ grant writers through the LegacyBuilders certification program
- Secure \$100 Million+ in grant funding for community organizations by FY 2027
- Expand the EmpowerEquity Grant Fund to 50+ community recipients
- Launch a national grant writing resource library and toolkit
