

# Financial Mastery Program

FINANCIAL EDUCATION

*Financial Tools. Capital Access. Community Empowerment.*

## DIVISION: FINANCE MANAGEMENT DIVISION

### PROGRAM OVERVIEW

The Financial Mastery Program is a comprehensive development initiative that provides financial tools, education, and capital access to underserved communities. Participants gain practical knowledge in financial management, investment strategies, and wealth building — equipping them with the skills and resources needed to achieve lasting financial independence and community economic growth.

### KEY METRICS

<b>Cohort-Based Education</b> Program Type	<b>Budget, Credit, Investment</b> Topics Covered
<b>Integrated Resources</b> Capital Access	<b>Mentorship &amp; Alumni</b> Support Model

### PROGRAM HIGHLIGHTS

- Delivers practical financial management education for underserved communities
- Provides access to capital resources and investment tools for participants
- Covers budgeting, credit, investment, estate planning, and wealth building
- Offers cohort-based learning with peer support and expert mentorship
- Connects graduates to EH Capital's professional network and programs
- Supports ongoing financial development through alumni resources and tools

### WHO THIS PROGRAM SERVES

Designed for individuals from underserved communities seeking practical financial education, capital access, and the tools needed to build sustainable wealth and achieve long-term financial independence.

## STRATEGIC OUTCOMES & GOALS

---

- Graduate 10,000+ participants through the Financial Mastery Program by FY 2027
- Launch a national financial literacy certification track
- Develop a digital learning platform for remote program access
- Establish a Financial Mastery alumni network for ongoing peer support
